## Volunteers needed

People with learning disabilities want to be the same as everybody else; this means they want friends and maybe a partner. Meet 'n' Match provides an opportunity for adults with learning disabilities to meet new people and socialise at group events or on one-to-one dates.

U-Night Group and Meet'n'Match are looking for volunteers to encourage and support group members with learning disabilities to access dates, social groups and events in local communities. The dates and events will take place in venues such as local pubs, clubs, cinemas and restaurants.
